PERFECT HOUSING

How do I handle my Dutch tax correspondence?

We receive a lot of questions on our website regarding Dutch tax law and how to file? Although we aren't in the tax business, we'd still like to help you find a tax solution tuned for expats moving to The Netherlands.

The first issues you'll encounter is the language. Who can read Dutch anyway? Despite the fact that many expats don't (yet) understand Dutch, most correspondence from the Tax Office is in - you guessed it - Dutch. We have a solution:

Receive all your Dutch tax correspondence online and in English via our partner Blue Umbrella.

Blue Umbrella will keep you up to date regarding what the Dutch Tax Office requires and provide advice - in English - about what you need to do. Why risk penalties or delays in your Dutch tax filings? Blue Umbrella will help you stay tax compliant.
